

**Welcome to the Unity Worldwide Ministries Great Lakes Regional (GLR)  
Conference 2024  
“Creative Flow Through the Great Lakes Region”**

For our 2024 conference we are trying something new and exciting based on a desire to bring more people to a conference opportunity. The conference planning team has been hard at work to bring this event to fruition. We have a tech team onboard to bring together the three groups attending the conference live for shared content. They will also be servicing those attending the annual meeting and/or memorial service on-line. Allow yourself to get into the flow, and get your creativity recharged during this amazing time of reconnecting, meeting new people, and sharing ideas, fun, and loving support.

The 2024 Conference will feature:

- Our Keynote Creative Flow Leader, Artist and Author - Jenny Hahn
- The fun and heartfelt music of Kim-Char Meredith
- Break out sessions to share and try some hands-on creativity
- Time to mix and mingle with colleagues old and new
- And, of course, our annual business meeting.
